A Creative Collaboration

Co-Developer

Fortune International Group

Synonymous with excellence, quality, customer service and unwavering commitment to the highest standards of luxury, Fortune International Group has been a recognized leader in development, sales and marketing since 1983. With over 7,000 units and nine million square feet of projects delivered, the company's development portfolio includes many of the most prominent residential properties in South Florida including Jade Signature, The Ritz-Carlton Residences, Sunny Isles Beach, Auberge Beach Residences and Spa Fort Lauderdale, Jade Residences Brickell, Jade Beach, Jade Ocean, and Hyde Resort & Residences Hollywood.

Co-Developer

Blue Road

Florida-based Blue Road is an integrated real estate developer dedicated to acquisition, construction, repositioning and property management. From inception to completion, Blue Road oversees every phase of the development process—from property search and asset acquisition, to design, construction and marketing—delivering value and viability with every property. Dedicated to improving profitability for a diverse commercial and residential portfolio, Blue Road's experienced leadership team strives to minimize risk while maximizing liquidity and return on investment.

Design Consultant

Carlos Ott

Dedicated to design and large scale projects in the fields of architecture, interior design and urban planning, Carlos Ott brings more than forty years of outstanding experience to an international design practice. Founded in Toronto in 1983, his name-sake firm, Carlos Ott Architects has developed an extensive portfolio of acclaimed projects throughout North America, Europe, the Middle East, Asia and South America. The firm's mission is to ensure that each project is of the highest possible quality, creating buildings that are architecturally iconic while adhering to clients' functional, financial and schedule requirements.

Architect of Record

Frankel Benayoun Architects Inc.

Since 1976, Frankel Benayoun Architects has developed a comprehensive portfolio of thoughtful, functional, architectural design including multi-family and mixed use residential, single-family residential, public assembly, educational, health care, religious and unique urban parking structures. FBA is committed to the thoughtful expression of architectural design with a conscious effort to harmonize each building with elements of the surrounding environment and nature—always seeking to enhance the union of architecture and landscape. For every project, FBA considers the integration of architectural aesthetics with the unique characteristics of its neighborhood.

Interior Design & Landscape Architecture

Urban Robot

Specialized in interior design, landscape architecture and urban design, with a firm-wide focus on hospitality, Miami-based Urban Robot brings a multidisciplinary approach to the creative process. The firm draws upon on its team's diverse design backgrounds to bring about singular narratives that are true to concept and uniquely tailored to each project. Whether a dynamic food hall, mixed-use complex, boutique hotel or multi-family residential property, Urban Robot consistently strives to elevate the human experience.
